$$m_2$$

The diagram illustrates two cross-sectional views of a structural member. The left view shows a rectangular shape with a width labeled  $m_2$  and a height labeled 66. A small dimension  $m$  is noted near the bottom right corner. The right view shows a similar rectangular shape with a width labeled  $m_2$  and a height labeled 75. A small dimension  $m$  is also noted here. Below each cross-section, the label M2.5 is written.
